2019 Agreement attached for your review and an electronic 'vote'.

As a reminder this document is confidential and not for general distribution until it has been approved and signed by all parties.

Please read slow enough to notice most of the related 'todos' are suggested, recommended and/or options versus the 'mandates' that some of our more vocal members toss about to general membership semi-regularly.

Background check process will begin after we've approved this agreement and it's been signed by both myself & USAC.

Electronic votes need 100% agreement & participation.

I will coordinate a 1 subject all if we don't have 100% yes & participation on this agreement.

Feel free to ping your questions to big R - reply All and I'll answer or get an answer if I can't answer.

Please send me your vote no later than Jan 20, 2019 (Sunday) - send it via little R vs reply all as to not sway others votes.

Thanks

- gina

Approval by board via electronic vote.
